

NOTES ON SUNDAY'S TOPIC.

Therefore. We Are Alive

Romans 6:1-14

## Further Thinking

How can we take confidence in the message that salvation is received and not achieved?

What does it mean to be baptised into Christ Jesus?

Paul says that since we have been baptised into Him in His death we will also be so in a resurrection like His. How should this impact the way that we live?

What practical steps can we take to know v12 & 13 in our lives?
